Dear residents and business owners,

RE: Road closures and clearways on Friday 13 October 2017

On Friday 13 October officers and sailors of HMAS Penguin will conduct a Freedom of Entry parade through the streets of Mosman.

The march will include the Commanding Officer and crew, accompanied by the Royal Australian Navy band. They will march from Prince Albert Street, along Military Road, into Gouldsbury Street, and along The Crescent to the Mosman War Memorial.

Road closures and clearways will be in place in the area and may affect how you access your property. See the map on the reverse of this letter for closure and clearway locations.

Key road closures - between 11am and 1pm:

From 11am to 1pm:

- **Belmont Street** between Gladstone Avenue and Military Road
- **Prince Albert Street** between Milner Street and Military Road

From 11.30am to 1pm:

- **Gouldsbury Street** between the western end and Military Road

Other local roads including sections of Raglan Street, Avenue Road and Albion Lane will also be closed.

Parking restrictions – from 9.30am to 1pm

To accommodate the parade restrictions will be in place on street parking along the event route and on surrounding roads.

Special event clearways will be in effect from 9.30am to 1pm on The Crescent, Military Road, Belmont Road, Prince Albert Street and side streets.

Special event clearways are ‘no-parking’ zones – even if you have a local resident or mobility scheme parking permit. Vehicles left in clearways will be towed and a fee applies so make sure to check signs carefully (see image of sign).
